**EMT – PARAMEDIC
Page 1 of 1**

May operate, or be responsible for operation of, an ambulance and may provide emergency medical services to patients. In an emergency, may determine the nature and extent of illness or injury and establish priority for required emergency medical services; may render emergency medical services such as opening and maintaining an airway, giving positive pressure ventilation, cardiac resuscitation, electrical interventions with automated defibrillator to support or correct the cardiac function and other methods determined by the physician medical director/department physician, controlling of hemorrhage, treatment of shock, immobilization of fractures, bandaging, assisting in childbirth, management of mentally disturbed patients, and initial care of poison and burn patients. Where patients must in an emergency be extricated from entrapment, may assess the extent of injury and render all possible emergency medical services and protection to the entrapped patient; provide rescue services if an ambulance has not been accompanied by a specialized unit; and after extrication, may provide additional care in sorting of the injured and accordance with standard operating procedures.

EMT-Paramedic may also do any of the following:

1. Establish and maintain an intravenous lifeline that has been approved by the physician medical director/departmental physician.
2. Perform cardiac monitoring.
3. Perform electrical interventions to support or correct the cardiac function.
4. Perform airway procedures.
5. Perform relief of pneumothorax.
6. Administer epinephrine.
7. Administer appropriate drugs and intravenous fluids.
8. Perform any other emergency medical services, including life support or intensive care techniques, approved pursuant to rules adopted under Section 4765.11 of the Revised Code.

The services described above shall be performed by an EMT-Paramedic only pursuant to the written or verbal authorization of the physician medical director/department physician, or pursuant to an authorization transmitted through a direct communication device by a physician or registered nurse designated by a physician. However, if communications fail during an emergency situation or the required response time prohibits communication, an EMT-Paramedic may perform any of the services described above if, in the judgment of the EMT-Paramedic life of the patient is in immediate danger. Services performed under these circumstances shall be performed in accordance with the written protocols established by the physician medical director of the emergency medical service organization.

VOLUNTEER FIREFIGHTER POSITION DESCRIPTION

Page 1 of 1

You have expressed an interest in becoming a Volunteer Firefighter for the Shawnee Township Fire Department. Due to the mental and physical demands of this position, it is required that you read the following list of qualifications that are required, and acknowledge that you understand them.

SPECIAL CHARACTERISTICS: The Volunteer must possess the following aptitudes:

1. Motor coordination for the operation of equipment and use of tools as well as in lifting and carrying victims and in driving fire and other emergency equipment.
2. Manual dexterity and physical coordination in carrying, lifting, extricating, climbing, hoisting and other similar maneuvers in a manner not detrimental to the victim, co-workers or himself.
3. Ability to give or receive verbal and written directions and instructions in a legible and understandable manner.

PERSONAL QUALITIES: The position requires that the Volunteer:

1. Maintain a pleasant personality.
2. Possess leadership ability.
3. Possess the ability to make sound, reasonable judgments.
4. Maintain a clean, neat appearance – clean-shaven for safety reasons.
5. Possess stability and psychological adaptability.
6. Maintain minimum certification and educational requirements.
7. Possess and maintain sense of commitment to the position.

PHYSICAL DEMANDS: Physical demands:

1. Possess and maintain a valid Ohio driver's license.
2. Possess and maintain normal good health.
3. Possess the ability to lift and carry at least 100 pounds.
4. Possess visual discrimination for evaluating situations so as to perform the proper action as well as to distinguish traffic signs and lights.
5. Possess both far and near visual acuity necessary for driving and evaluating situations (correction by lenses permitted).

I have read the above outline of qualifications. By signing this, I understand the mental and physical requirements needed for this position and agree to submit to a physical agility test and other required testing should I be considered for the position. I further agree to submit to a physical evaluation by a department-designated physician.
