

# SOUND THE ALARM

Save a Life

Every day, **seven people die in home fires**, most often in homes without working smoke alarms. That's why the American Red Cross launched the [Home Fire Campaign](#) in 2014 to save lives.

*Sound the Alarm* is a critical part of the campaign. The Shawnee Township Fire Department has joined with the American Red Cross to help further this event. We will come to your home to install smoke alarms, create escape plans and share fire safety information, all FREE OF CHARGE. To take advantage of this awesome event, contact **Fire Prevention Officer Matt Reaman @ 419-222-2986** to schedule your home visit today!
